Kuttoor-Peringom road in Payyannoor firka, North Malabar.

* 249 *Q.*—SRI K. P. GOPALAN : Will the Hon. the Minister for Local Administration be pleased to state what are the reasons for not completing the construction of Kuttoor-Peringom road and Kuttoor-Chapparapadavu road in Payyannoor firka in North Malabar?

THE HON. SRI N. SANKARA REDDI :—" The road from Kuttoor to Peringom has been formed and it is now maintained by the Malabar District Board.

The road from Kuttoor to Chapparapadavu has also been formed except for a bit of two miles and further work on the road has been stopped due to financial stringency."

SRI K. P. GOPALAN :—" May I know whether it is a fact that even in the roads that have been constructed, it is very difficult to travel either by car or by cart, because people say that passengers travelling by those roads will have to insure their lives before undertaking a journey by those roads? That being the condition of the roads, will the Government be pleased to take steps to construct good roads as soon as possible? "

THE HON. SRI N. SANKARA REDDI :—" It is true that many of the roads are not travel-worthy or motor-worthy. Many village roads are like that. Government are making all efforts to get them repaired."
